

Esso Filling Station

Signposted HGV Testing Station

From junction 15 of the M4 head south on the A346 for approximately 1 mile. Turn right 200 yards after the Esso filling station. Drive for 1.2 miles and you will find the entrance to the **Draycot Aerodrome**.

From Marlborough head north along the A346 for approximately 5 miles. Turn left 200 yards before the Esso filling station. Drive for 1.2 miles and you will find

When you reach **Draycot Aerodrome** follow the road past the houses (MAX speed 10mph) and farm buildings. The road will continue left and right then sharp left into the aerodrome. Continue up past the hangar and buildings to your left and past the windsock towards the full size helicopter area. Follow the road, turning right along the track where you will see the RC flying and parking area.
